What will you learn?

Facts you can use:

- Understanding **real dogs**
- How to teach dogs **new skills**
- How to make behaviour **reliable**
- How to **change behaviour** you don't want

To teach your dog:

- Name recognition, **Watch Me**, **Doggy Zen**, **Follow the hand**, **Sit**, **Drop**, **Go to Mat**, **Come**, **Food bowl safety**, **Handling**, **Collar holds**, **Leave It**, **Swap**, **Give**, **Stay**, **Wait Walk with you**, **This Way**, **Parallel walking**, **Curving**, **Stand**, **Loose lead** – and more!

To live successfully with dogs:

- Behavioural Enrichment
- Guidance and guardianship
- Health & husbandry

To solve problems:

- **Mouthing**, nipping, destruction, escaping, **jumping up**, digging, disobedience, hyperactivity, toilet training, **pulling** on lead, **not coming** when called

What is best-practice?

The benefit is:

- Professional trainers, with respected qualifications, current skills and up-to-date knowledge.
- Proven methods based on scientific evidence, not media hype and myth.
- 100% humane training using positive reinforcement – because positive methods work best.
- Small class sizes of 3 to 6 dogs so you get the individual attention you need to make progress.
- Classroom-style teaching for you and your dog – so you can focus on learning and start seeing results
- Ensuring you get the help you need with referral to a network of trusted professionals as needed.
